Van der Karr Cemetery on Mt. Langham

Van der Karr cemetery is in Aroma township. Starting at the Aroma Park post office and going south, take the second turn to the left. Drive about one mile or to the corner of the Van der Karr farm where a large wooden sign now points the way to Mt. Langham. Take this road south past the Van der Karr farm lands and just adjacent to it is a gate on the neighboring farm land. Mr. Langham is about one half mile east in the field and slightly to the right of the present ~~land~~ lane in this field which follows the dividing fence of these two farms.

PLEASANT HILL CEMETERY

Pleasant Hill Cemetery is in Milton Township, Du Page County, Illinois; Sec. 8. T 39 R. 10. It is on Geneva Road, west of Gary Ave., 2 miles N. W. of Wheaton, the county seat. It had long been neglected, as most of the heirs of the old lots had moved away or were themselves dead. It was restored by the W.P.A. in 1936 under the direction of Donald R. Murray, Supervisor. The old graves were grouped together, markers re-set and the place beautifully landscaped. A plot was set aside for the burial of soldiers. The rest is now used for township cases.

WARREN COUNTY
CEMETERIES

Material furnished by
Mildred Warner Washington
Chapter, Miss Mary V Brent,
Chairman, Genealogical
Records Committee

FOREWORD

The Mildred Warner Washington Chapter D. A. R. has been given the following vital statistics by Mr. Hugh R. Moffet, editor of the Monmouth Review Atlas. This information was collected some twenty years ago from grave stones in the small family cemeteries in Warren County. At that time many of the cemeteries had been abandoned and the stones piled along fences; some were used as stepping stones in farm yards and the burying grounds had gone back to farm land and brush patches.

During the past twenty years much more has been destroyed and we are grateful to have this much to add to our genealogical records.
